ABOUT YURC

Showcase your research at Yale’s only undergraduate-led research conference and engage in a two day dialogue designed to foster interdisciplinary collaboration and highlight undergraduate research across the nation. This year we will be awarding $6,000 across 1st/2nd/3rd place posters in 6 categories (Engineering and Mathematics, Physical Sciences, Natural Sciences, Medicine, Social Sciences, Humanities).

Application

Please turn submit the form below with a brief abstract of your research by March 31st. If you wish to have your poster partially subsidized and printed by YURA, submit a pdf of your 48 x 36 inch poster by April 5th ($40 printing fee) to the final form that will be sent out on April 1st.
